Please get a complaint form filled out and to me ASAP regarding that campground. You either have to come to the office and get one or we have to send you one.

Can you email a form?

[REDACTED]

I can fill it out after work. I have a busy day today including doctor appointments. If you can't email it, I can come in to see you tomorrow morning. We appreciate your efforts on this.

Yes I will email it to you

This is far enough out I'm sure
at least one of the township
officials can attend (I'm waiting
on a call back). I just don't want
to miss out on your availability.
Thanks.

Sounds good I'll put it on my
calendar!

I have a 3 o'clock meeting at Q
& C gas station set up for
convenience. I can fit everyone
in the club cab, or just lead you
all out to the site. What ever
you choose. Thanks.

Hey Dave. You should've
received more complaint forms
from my neighbors regarding
the campground. I just wanted
to make sure that we keep
these in hand, until the time of,
or after the group of officials
converge on the site visit. I just
don't want to them to know we
are coming. Thanks. Still
haven't heard from the forest

Yes I received 2 more. Did you call the USFS?

Yes I called the Mio office. I was told the law enforcement division would contact me. So far I haven't heard from them.

Give them a chance to call and then call again if a couple weeks go by with no contact.

Good morning Dave. Just firming up our meeting for this afternoon. Meeting you at the cones 320-330. Harry will be riding with me and hopefully at least one township official.

That's my plan.

Thu, Jun 3, 8:38 AM

Contacted the Mio office USFS. He give me law enforcements number. So I'm working it.

Good. I just texted pics to state. Waiting to talk to them.
